## Bio

Barbara has lived an extreme life, from ecstatic to horrendous, and from down and out to a successful fulfilling life. As a child she overcame the fear of possibly being sold by her mother and saving a family member's life to become an international model, actress and business woman. Now with all these experiences behind her, she is reviving people to transform their lives.

Barbara lovingly empowers you to create meaningful relationships, money and more.

She wakes up joyfully and happy every morning in spite of all the challenges and obstacles she has gone through.

**You can too!**

***Turn fear into love and wake up everyday joyful.***

*Because of her work, doors will open for the listeners to enter into a new found confidence.*
